How to practically approach imputing these values?

Medication Survey Form (MSRc)

2. Did you bring all the medications you used in the past two weeks, or their containers? This includes all prescription medications, all over-the-counter medications, all vitamins, minerals, herbs and dietary supplements?

Go to Item 4: Begin transcription while participant proceeds with clinic visit.

- Yes, all 1
- Some of them 2
- None (forgot/unable) 3
- Don't Know 7
- Refused 8
- Missing 9

Go to Item 3a to determine follow up options for medications they did not bring.
Go to Item 4 and transcribe those medications which were brought at this time.
